Hello Parents & Guardians,

As we begin the month of October please take the time to review the dates to remember as well as the schedule for the minimum day activities.

Last month, students learned about landforms. Students collaborated in projects such as creating volcanoes with baking soda and vinegar and the coke and Mentos experiment.

Please check out our STEAM bulletin board to see what your children are learning.

Wednesday Expanded Learning Activities

"Engineering Halloween"

Oct 4th- Ghost rocket challenge: Can you build and launch a ghost rocket that travels and the highest average distance in three trials?

Oct 18st- Pumpkin tower challenge: Can your group create the tallest free standing tower from a bag of pumpkin candies and a box of toothpicks?

Oct 25th-Floating peeps challenge: Can you create a puff boat from materials provided that will carry your peep the furthest distance in three puffs of air?

For October 9th-13th Minimum days, please see attached calendar of planned activities.

"Lights on Afterschool"

Save the Date

Our "Lights on Afterschool" event will be held on **Oct 26, 2017**. More than sixteen hundred children throughout the OUSD CARES program will be making a project of themselves that parents will bring to work. This is a great opportunity to send a message about the nationwide importance of quality afterschool programs for America's children, families and communities.

Drive in movie day:

We are looking for donations for "drive in movie day." We will be needing about 65 cardboard boxes for students to create cars to sit in for drive in movie day. Drive in movie day will be held on Friday, October 13th.

Pumpkin Nutrition & Health Fact:

Colonists sliced off pumpkin tops; removed seeds and filled the insides with milk, spices and honey. This was baked in hot ashes and is the origin of pumpkin pie. Pumpkins contain potassium and Vitamin A and pumpkins are a fruit.

Donations:

- Outdoor equipment
- Lysol wipes
- Board games
- Books for class library
- Drawing paper

Anaheim Hill CARES Staff:

Lead Teacher: Ms. Jennifer
Assistant Lead Teacher: Mr. Mark
Aide: Ms. Monica
Aide: Ms. Ariana
