CAREER FOCUS: ARTS, MEDIA & ENTERTAINMENT

O727

Through this courses, students will explore post-secondary college and career options. Students will learn the requirements and opportunities for post-secondary education and develop a personal career/life plan while learning valuable foundation skills that will benefit them throughout their school and working life.

ART OF TV AND VIDEO PRODUCTION I

O946 *

This course is designed to provide students with the skills necessary to gain entry-level employment at a cable studio, video production company or to begin working independently as a self-employed videographer. Content area skills include video production theory and operation of equipment. Instruction focuses on hands-on skill development. Internship experience is optional, available to interested students with time. ***This course meets the Visual and Performing Art requirement ("F") for admission to the University of California.***

ADVANCED ART OF TV & VIDEO PRODUCTION

O947 *

This course builds on the introductory skills learned in Art of TV and Video Production I. Essential employability skills focus on enhancing work-related personal and interpersonal skills. Career development focuses on career goals in the video production industry. Students continue to develop writing, shooting and editing skills in a video production studio. They are also introduced to the complexities of remote location shooting procedures. Interested students can serve on optional production crews or at internship sites for additional real world experience. ***This course meets the Visual and Performing Art requirement ("F") for admission to the University of California.***

PROFESSIONAL INTERNSHIP

O745

This practicum and internship course allows the students to apply academic and career readiness skills in a workplace environment. Instruction will combine standards-based classroom instruction with extended on-site industry experience. Students will learn all aspects of Professionalism, and apply 21st Century Skills of Communication, Collaboration, Critical Thinking, Creativity and Problem Solving in a real world setting. Interested students can prepare to take the WorkKeys National Career Readiness Certificate.
