

CHAPMAN HILLS ELEMENTARY SCHOOL

PTA School Supplies List

2017-2018

Each year children look forward to buying school supplies and new classroom materials. The PTA is asking for your continued support to meet your student's needs for classroom materials. Academic materials and basic supplies (books, paper, and pencils) are always provided for your child, however, by supplying the following list of items, it will help to ensure your child has materials that may be in short supply or the school does not supply. It would be greatly appreciated if you could send your child to school on the first day of our new school year with the following supply list based on their new grade level. Your child will use many of the supplies individually, and the class as a whole will use some. An * indicates shared classroom use.

Please also purchase a permanent laundry marker to be kept at home and used to mark items such as lunch boxes, umbrellas, jackets,
