Dear Parents and /or Guardians,

I am looking to fill several parent-elect positions for our School Site Council. The School Site Council is a representative elected group of parents, teachers and classified staff that meets to discuss and make decisions about student achievement and school funding. We will meet five or six times throughout the year each member, except the principal, serves a two year term. Meetings will be held after school at 2:30 in the conference room and will last approximately an hour.

If you are interested in being a School Site Council member, please fill out the bottom portion of this form and return it to the school office by Wednesday, September 20, 2017. Parents will have the opportunity to vote for the Council members at the end of September. If you have any questions about the School Site Council or the nomination process, please contact the school office. Thank you for supporting our students.

Sincerely,

Jana Saenz
Principal
