

🌿 🌿 🌿 🌿 🌿 **HOW TO SUPPORT THE BOBCATS** 🌿 🌿 🌿 🌿 🌿

We have a great group of parents working hard in the many PTA positions to help make Chapman Hills the great school that it is. PTA supports our school by offering programs that enrich our children’s learning experience as well as create family fun events to connect our school community together.

We are always looking for enthusiastic and caring parents to help make the school year great. To serve on PTA you are not required to have any prior experience, just a willing heart! Take the time to get involved and make a difference in your student’s life as well as your community! Getting involved is a great way to get to know the teachers, staff, other parents and students at Chapman Hills.

We have 48 PTA officers & committee chairpersons. Many of these chairpersons form committees; working on a committee of an area that interests you is a great way to get more involved. In addition, there are events and programs throughout the year where we need extra one-day volunteer help.

Mark your interest in the following areas in which you might like to get involved and help out. We will get your contact information to the chairperson in charge of that event or activity.

For a full description of each committee see the school website, http://www.orangeusd.org/chapman_hills/PDF/PTA_officers.pdf
