Open House- 6:00-7:00

**May 26**

Spirit Day- Crazy Hair Day

**May 29**

Memorial Day - no school

Please see the monthly calendar for more information and specific times.

## Angels-Adopt-A-School

We are so honored to have been chosen by Angels baseball for their Adopt- A- School program. The honor started when radio host Rodger Lodge, bench coach Dino Ebel and the Angels' strike force spirit squad came to Fairhaven for a special assembly. Both Mr. Ebel and Mr. Lodge stressed the importance of following your dreams. They told the students not to let anyone tell them that they can't be what they strive to be. Our guests expressed the importance of always doing their best and to keep moving forward. As part of the program all our students and their families were invited to an Angel game, in addition to receiving a \$2,000 literacy grant, 100 tickets to use for student incentives, school supply packs, and an autographed Adopt-A-School banner. We are so thankful of Angels baseball for this opportunity.

Please consider being a PTA officer for the next school year!

## Fairhaven Happenings

### Jog-a-thon

April was an exciting and fun month filled with lots of learning. The day before Spring Break we had our annual jog-a-thon. Thank you to all the many volunteers who came out to help make the day special.

### Foundation Games

About 40 of our students participated in the Foundation Games. It was a fun day and our students did a great job! Thank you to Mrs. Rabbitt and to Miss. Pedley for coaching our students and for all the families and staff that came out to show your support.

### School Smarts

Eight of our parents graduated from the School Smarts Program. By participating in the Academy, their children saw how much they value them and their educational experience. Throughout the Academy's seven weeks, the parents were able to learn how to actively participate in their child's education while becoming a part of a caring and fun community of parents who shared valuable knowledge and experience - and who, I hope will continue to be the leaders of Fairhaven. Thank you for your commitment and congratulations!

We look forward to seeing you at Open House on May 23<sup>rd</sup> and Science Night on May 25<sup>th</sup>.
