Our Summer program (also known as Lancers) has been providing soccer opportunities to the children of Orange and surrounding communities for the last 30 years. The best Summer program around, Lancers is the perfect option for children ages 5 to 15 looking to keep playing after a great Spring season or to get a jump start on the Fall season. But make no mistake, Lancers is a remarkable program all on its own!

Using the wonderful Summer months and weather, Lancers teams play through May (practice begins), June (games begin on the first Saturday) and July. We find that these months provide a fabulous opportunity to participate in soccer when most players are on Summer break and life slows down a bit (a relative term for you parents out there!) The soccer is exciting and developmental but, above all, the entire season is structured around fun! Children are even able to "buddy" with a friend!
