The Panther Soccer Camp will embrace the philosophy that continual repetition of skills and concepts no matter the level of the soccer player. We will provide the necessary pieces to develop the total soccer player. We want to stress the development of individual ball skills and the creativity that those skills provide. It is very important that we stress the importance of enjoying the game of soccer and demonstrating that enjoyment in the way we play. We are committed to instill habits that will make our campers lifelong soccer players.

Eddie Carrillo Currently The Men's Soccer Coach at Chapman University, Teacher with OUSD and Club Director and Founder of Canyon PSA has been proudly providing camps for kids in the community since 1997.
