Cathy Sadler Named Outstanding Customer Service Award Winner

ORANGE, Calif., February 22, 2011—The Orange Unified School District is proud to announce Cathy Sadler, Accounting Technician II, Accounts Payable, has been named recipient of the Outstanding Customer Service Employee Award for the month of February.

Charmaine Duquesnel, Accounting Manager, had this to say about Mrs. Sadler, “During the Health Insurance Open Enrollment, our staff embraced the District’s retirees with care. Cathy took the lead in this process, balancing her daily duties, plus the needs of the retirees with a positive, caring attitude, ready to assist with repeated explanations of the new programs and procedures. Cathy’s positive attitude reflects the heart and soul of our department.”

Mrs. Sadler has worked in OUSD for fifteen years and also attended the District schools of La Veta, McPherson and El Modena High School. She said of the recognition, “I am proud to be a part of the Accounting and Business Services team here in Orange Unified. The recent addition of the Risk Management department to Accounting has been both a challenge and a pleasure. The interaction I have had with the retirees has been most rewarding.”

She was recognized at the Board of Education’s most recent meeting by Board President Mr. Rick Ledesma. In attendance were her husband Danny, daughter-in-law Astrid, and grandchildren Ezekiel and Steller.

The Orange Unified School District is located at 1401 North Handy Street in Orange, CA
