

AP Eligibility Criteria for Fee Reductions

Students who are either enrolled or eligible to participate in the Federal Free or Reduced Price Lunch Program qualify for the College Board fee reduction on all AP Exams that they take in a given year.

A student is eligible for free or reduced price lunches if his or her family's income is at or below 185 percent of the poverty level issued annually by the U.S. Department of Health and Human Services.

The table below lists annual family incomes, by family size, at 185 percent of the poverty level. If the AP student's family's income did not exceed the amount listed in the appropriate row and column, he or she qualifies for a College Board fee reduction.
